Fish maid franchise invited

Kerala State Coastal Area Development Corporation and Central Institute of Fisheries Technology, Kochi have come together in creating innovative technologies and a highly profitable business model to manufacture and sell an array of high end fish snack products. The products will be manufactured in a state-of-the-art production facility and will be made available to consumers through exclusive branded outlets. Initially 100 exclusive outlets will be opened in Kerala. Applications are invited from Interested parties enthusiastic enough to be part of the pioneer mega venture to reap profits. Those who can arrange space of 150 Sq,ft or more for an outlet in a potential area/ready to do business in places identified by KSCADC for marketing snacks and mobilise funds for sales operation are encouraged to apply. Previous experience in this line though preferred is not a must Continuous supply of products will be ensured by KSCADC. KSCADC will do incessant brand building and advertising efforts to promote business. Those who are interested may apply on the prescribed format with a non-refundable processing fee of Rs. 1000/- to KSCADC as DD in favour of KSCADC payable at SBT, Jagathy,

After a preliminary screening by an expert committee potential entrepreneurs will be invited for a business meeting /interview from which final selection will be made.

Details are available at our website FRANCHISING FISHMAID OUTLETS.
