

Hosdurg Fishing Village

(Kanhangad Municipality)

1. Brief Profile of Hosdurg fishing village

Hosdurg fisheries village is spread over five divisions of Kanhangad Municipality. The coastal wards of this village are 1, 34, 35, 37 and 38. The village has a total of 210 houses and 220 households are living there. Among them, 18 are landless or presently living as a joint family. Regarding the housing situation in the village, it is noted that 48.57 percent houses are pucca, 41.90 percent are semi-pucca and 9.52 percent houses are kachha houses. About 68.57 percent of the existing houses in the village have sanitary toilets. Safe drinking water is available to cent percent of the existing houses. Most of the houses in the village (92.38 %) are electrified. It is noted that 405 persons from the fisher folk community are insured with the Fisheries Board (Matsya Board). And 62 persons are covered under the old age pension scheme and 6 persons are covered under widow pension scheme during 2007-08 in this village.

Regarding the community specific facilities, this village has no hospital facilities. The village has five LP Schools and one UP School. Six anganawadis are functioning in this village and four of them are functioning in its own building. This village has 27 roads of 34.300 km length, 3.1 Km drainage, 8 culverts and 5 bridges. The village has one non functional street light. About the fisheries specific infrastructure and facilities, it is noted that 110 country fishing boats are available in this fisheries village. And a total of 39 kerosene permits are issued to the fisher folk in this. The village has one fish market and four ice plants. The village has an unprotected coastal line of 5.500 Km. Consumption of liquor and narcotic drugs are moderate in this village.

The results of situation analysis and needs and requirements are presented in Tables 43 and 44 while the financial requirements are given in Table 45.
