

## **Kottikulam Fishing Village**

(Uduma Gram Panchayat - Kanjangadu Block)

### ***1. Brief profile of Kottikulam fishing village***

This fisheries village is spread over five wards of Uduma Gram Panchayat. The coastal wards of this village are 11, 13, 14, 15 and 16. The village has a total of 1004 houses and 1066 households are living there. Among them, 78 are landless or presently living as a joint family. Regarding the housing situation in the village, it is noted that 49.70 percent houses are pucca, 37.45 percent are semi-pucca and 12.85 percent houses are kachha houses. About 71.91 percent of the existing houses in the village have sanitary toilets. Safe drinking water is available to 78.29 percent of the existing houses. Most of the houses in the village (93.92 %) are electrified. It is noted that 900 persons from the fisher folk community are insured with the Fisheries Board (Matsya Board). And 95 persons are covered under the old age pension scheme and 20 persons are covered under widow pension scheme during 2007-08 in this village.

Regarding the community specific facilities, this village has one sub-centre. The village has two LP Schools, two UP Schools and one Higher Secondary School. Fourteen anganawadis are functioning in this village and ten of them are functioning in its own building. This village has 35 roads of 23.450 km length and one culvert. The village has 6 street lights and only 4 of them are functional. About the fisheries specific infrastructure and facilities, it is noted that 175 country fishing boats are available in this fisheries village. And a total of 93 kerosene permits are issued to the fisher folk in this. The village has one fish market but it is not functional at the time of the field survey village. The village has an unprotected coastal line of 2.60 Km. Consumption of liquor and narcotic drugs are acute in this village.

The results of situation analysis and needs and requirements are presented in Tables 16 and 17 while the financial requirements are given in Table 18.
