

Pallikara Fishing Village

(Pallikara Gram Panchayat - Kanjangadu Block)

1. Brief Profile of Pallikkara fishing village

Pallikkara fisheries village is spread over five wards of Pallikkara Gram Panchayat. The coastal wards of this village are 1, 16, 18, 20 and 21. The village has a total of 598 houses and 674 households are living there. Among them, 88 are landless or presently living as a joint family. Regarding the housing situation in the village, it is noted that 47.16 percent houses are pucca, 46.66 percent are semi-pucca and 6.19 percent houses are kachha houses. About 61.37 percent of the existing houses in the village have sanitary toilets. Safe drinking water is available to 61.37 percent of the existing houses. Most of the houses in the village (96.99 %) are electrified. It is noted that 965 persons from the fisher folk community are insured with the Fisheries Board (Matsya Board). And 101 persons are covered under the old age pension scheme and 28 persons are covered under widow pension scheme during 2007-08 in this village.

Regarding the community specific facilities, this village has one PHC and one homoeo hospital. The village has one LP School and one UP School. Twelve anganawadis are functioning in this village and only two of them are functioning in its own building. This village has 47 roads of 39.520 km length and five culverts. About the fisheries specific infrastructure and facilities, it is noted that 30 country fishing boats are available in this fisheries village. And a total of 52 kerosene permits are issued to the fisher folk in this. The village has three fish market and one ice plant. The village has an unprotected coastal line of 4.788 Km. Consumption of liquor and narcotic drugs are acute in this village.

The results of situation analysis and needs and requirements are presented in Tables 19 and 20 while the financial requirements are given in Table 21.

**Table. 19. Current status & requirements of Infrastructure Facilities -
Pallikkara Fishing village**

Sl.No	Name of the Existing road	Length of the road	Existing number of Culverts, Bridges	Existing drainage facilities	Requirements
	Bakel Juma Masjid-Puthiyakadapuram Road	600 mtr	Culvert-1	-	Culvert-1(New) Re-Tarring 600 mtr,Drainage-600 mtr(New)
